**APPLICATIONS NOW OPEN FOR THE RAYTHEON LEADERS IN
EDUCATION AWARD**

TUCSON, Ariz. – Applications for the annual Raytheon Leaders in Education Award are now open. The program recognizes and rewards Pima County teachers in grades PreK-12 who are achieving outstanding classroom performance, demonstrating leadership in their schools and communities, and supporting their peers in a committed teacher workforce. Application materials can be found at TucsonValuesTeachers.org and are due by midnight via email on Monday, September 12, 2022.

Through a rigorous evaluation process, judges will narrow down applicants to twelve finalists and ultimately choose four awardees—one representing PreK, one for K-5, one for 6-8, and one for 9-12. Raytheon will award the four winners with \$2,500 cash each; an additional \$2,500 in matching gifts will be presented to each teacher's respective school. In addition, each finalist will receive \$500.

To be eligible for the Raytheon Leaders in Education Award, teachers must:

- Spend the majority of a school day in direct instruction to students.
- Be currently certified to teach in Arizona or have PreK equivalent credentials.
- Have completed at least four full years as a classroom teacher.
- Teach grades PreK-12 in a Pima County school.
- Be a full-time teacher and plan to continue in active teaching status through 2023.
- Be the subject of a completed application with a submission deadline of September 12, 2022.

Tucson Values Teachers' Chief Executive Officer, Andy Heinemann, said, "We recognize the importance of highlighting the contributions and professionalism of Pima County educators. The Raytheon Leaders in Education Award showcases some of the very best teachers in our community, shining a light on the dedication and knowledge that these individuals bring to not only their classroom but their school community. We're honored to once again partner with Raytheon Technologies to celebrate education champions at Stand Up 4 Teachers on Nov. 9."
