Tucson Values Teachers presented a check to United Way's Accelerate Quality program!

Accelerate Quality is in its successful second year and was created specifically to help increase the number of high quality ECE settings where PEEPs can be used by children. Accelerate Quality is only possible with the support of many donors and partners.

Tucson Values Teachers, through a generous gift from the Fenster Family, has committed \$90,000 over a three-year period to help Accelerate Quality continue to increase the availability of high quality ECE in our community and to support ECE educators.

Tucson Values Teachers returns to the Tucson Festival of Books

Tucson Values Teachers will once again participate in the [Tucson Festival of Books](#) on March 4-5, 2023 at the University of Arizona! This is one of the largest book events in the country and we're excited to participate and support literacy.

This year we'll be at Booth 403, located on the Mall near the entrance to the Children's Area. You're invited to stop by our booth to say hello and register for a chance to win a \$100 gift certificate to Jonathan's Educational Resources!
