Tucson Supplies Teachers is Now LIVE!

TVT is proud to announce the launch of this year's Tucson Supplies Teachers supply drive, the largest community-wide effort in Southern Arizona to provide essential classroom supplies to local educators. This annual initiative helps ensure teachers have the resources they need to create engaging and effective learning environments without having to spend their own money on supplies.

Each year, generous community members and businesses contribute donations, which are then distributed to teachers across the region as gift cards. With educators often spending hundreds of dollars out of pocket for basic classroom necessities, this program offers much-needed support to those shaping the future of our students.

This year TVT will also be partnering with News 4 Tucson KVOA to set up donation sites where supplies can be dropped off as well. More information about these sites will be available soon!

The drive is now open for contributions, and Tucson Values Teachers encourages individuals, businesses, and organizations to participate. Donations can be made online or via check.
